DETAILED ACTION

Response to Amendment

1. The amendment filed September 2, 2008 has been entered and new claims 16 and 17 have been added.

Allowable Subject Matter

2. Claims 1-9, 16 and 17 are allowed.

3. The following is an examiner's statement of reasons for allowance: None of the cited references disclose a surface emitting semiconductor laser chip comprising side faces delimiting a semiconductor body, at least one of said side faces disposed obliquely wrt to principal crystal directions and perpendicularly wrt a radiation exit face. The above limitations in combination with other claim limitations are not taught or fairly suggested by the prior art nor would it be obvious to modify the references of record so as to yield the device of the instant application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to A. Sefer whose telephone number is (571)272-1921.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Davienne Monbleau can be reached on (571) 272-1945. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
